

SCHOA Volunteer Skills Assessment

This is a skills inventory document to help keep cost down at SCHOA and to make our association a stress-free and a beautiful place to live. It is helpful to keep a skills inventory and update it of all volunteers that are willing to help the association. The Board of Trustees will evaluate each volunteer's skill(s) and will vote to ask that volunteer for help when necessary. Please note: certain volunteer's skills will need to sign a waiver's form to free the association from any liability that might incurred.
